Subject: Modification for FOIA EPA-R8-2019-001651

Hi,
In the attached document, I have tried to capture what we discussed in trying to modify this important request. I also included search terms for the email search.
Alan will be reviewing the search terms and because they are not part of the actual modification, they will be agreed upon at another time. Alan can put together the Boolean search and capture what it is you want to have.

This attempt to recreate our conference call may need further revision.

I will be back in the office Tuesday. Alan is available Friday and Monday by email and phone 303-312-6306.

Thanks - Dayle
